Captains Report

This month has been quite. Thank heavens for lots of rain. Just remember the fire restrictions are still on.

Thanks to Charlie Bowker for the spanner he made to keep the filter clean on our new truck and also, thanks to Ian Tapper for the hose rolling up tool he made. These two items will help made the job a lot easier.

A big thanks goes out to the cadets who spent their time polishing the Bungonia Trucks, they did a great job.

This years order of new equipment has been made, we have ordered 12 hose nozzles and fire fighting gear for those who did their basic training.

John Edwards, Captain

A note from the Secretary

Remember on market day our shed is being used for a quilting display. The Bungonia Quilters will be making up stands for their quilts and entry will be by Gold Coin. They will be donating all money donated at the door to the brigade.

What we would like is for anyone out there to take a turn on the door to collect the entry on behalf of the brigade. The quilters have been good enough to arrange this display, the least we can do is man the door. Please call John (4821 5489) or Cherie (4822 4241) to put your name and time down. Thanks for your help!

Subs are only \$10 a single or \$30 a family. You can send your cheque, made out to the 'Bungonia Rural Fire Service', 'Chezden', 815 Mountain Ash Road, Bungonia or Paul Bayliss, King Street, Bungonia anytime! Thank you, Cherie Jenkins.

10 YEARS OF SERVING THE COMMUNITY!

The Bungonia Times has been in print now for 10 years. During this time with the help of a few volunteers, the paper has survived. We would like to sincerely thank everyone who has helped in any way to help the continuance of 'News to the Community'. Your kind donations of funds and gifts to raffle have enabled to pay for the paper each month so that it remains a free magazine.

Sometimes it hasn't been easy, we have had a few hiccups from time to time, a few typo's and poor grammar but all these things you have noticed means you have read it! Hence the purpose of the paper.

We have given ourselves a pat on the back, now give yourself one to for helping us! Thanks from all of us.

Goulburn & District Community Transport Service in the Mulwaree Shire

Goulburn & District Community Transport Service has now been operating in the Mulwaree Shire for eleven years. During that time many people have travelled with us and we have made some sound friends amongst the regular passengers.

However, there may be some people who are still not fully aware of the different types of transport that we provide.

So perhaps its time to remind everybody in the shire exactly what sort of transport can be provided.

Each Friday after pension Thursday the bus takes elderly people from Marulan to Goulburn for shopping, doctors, hairdresser's etc. The cost is six dollars return. The following Monday the bus travels to Taralga and provides transport to Goulburn. Some people travel just as a social outing.

Transport from outlying villages such as Tarago, Collector etc can be arranged.

If you need long distance transport to medical facilities in Goulburn, Canberra or Sydney the service may be able to assist.

If you wish to take advantage of the transport service you need to ring Richard Hammond on 48 23 4499.

Be a Sport, read a Biography

Australia is famous for its love of sport. Most people would have watched a game of rugby or a cricket match on a sunny summer's weekend. But how many of us have wondered what challenges have faced the people who play these sports at the highest level, or how they got to where they are now?

If you like reading about the lives of famous sporting stars then Goulburn Branch Library is the perfect place to start your search! Just to get you started, take a look at the following list of biographies that are held within the Southern Tablelands Regional Library's collection:

- *Home before dark* by Ruth Park & Rafe Champion (on Les Darcy)
- *Steve Moneghetti: in the long run* by Peter Howley
- *Cathy Freeman: a journey just begun* by Adrian McGregor
- *The Power of two* by David Foster
- *Raging Waters: the life of an innocent killer* by Dean Waters with Daniel Lane
- *Mick Doohan: thunder down under* by Mat Oxley
- *Alf: the Allan Langer story* by Paul Malone
- *Dangerous when wet: the Shelley Taylor-Smith story*
- *Mark Taylor: time to declare*
- *Tiger Woods: the making of a champion*

Remember, if these titles are not on the library's shelves, or are located at another branch library, you can place a free reservation, and we will notify you when the book is ready for you to collect. If the library doesn't have the particular biography you are interested in, and it is a recent publication, you may like to suggest the library purchase the item for our collection. Just ask at the Loans Desk for a 'Request for Purchase' form and fill it in.

Goulburn Branch Library will be closed during the Easter break between Friday 13 April and Monday 16 April. The library will be closed for alterations to loans desk and front door. Please DO NOT return any library items during the Easter break, as they are not due for return during this time and the after-hours return chute will be unavailable during the renovations.

What is the buzz word? For the month of April the Goulburn Branch Library's Ask A Question contained in our newsletter "Off the Shelf" is about bees. The question is, What is the smallest bee in the word? Come into the library and pick up a copy of "Off the Shelf", answer the question using library resources and you may win a prize.

For further information about the library please contact the Goulburn Branch Library on 4823 4435 or email stl@goulburn.nsw.gov.au.

GARDENING IN APRIL

Vegetables: Broad Beans, unlike other beans, prefer a cool climate and are ready to pick late winter or early spring when vegetables are scarce. Before planting them, give the soil a good liming and also add some complete fertiliser. They don't like a high nitrogen fertiliser as this promotes leaves at the expense of flowers.

Other veggies to plant are peas, cabbage and onions (mainly white and odourless). Greenfeast peas should be sown in tow rows close to each other for support and if you have a fence or wall which gets plenty of winter sunshine, grow Telephone climbing peas, they produce a big crop and are worthwhile growing. They prefer a soil which has had a light dressing of lime and complete fertiliser.

Flowers: Seedlings available now are Alyssum, Canterbury Bells, Carnations, Cornflower, Delphinium, Dianthus, Hollyhock, Russell Lupins, Pansy, Viola, Primula, Snapdragon, Stock and Wallflower.

Seeds of Sweet Pea can now be sown. Like vegetables, they prefer a soil containing compost, lime and a complete fertiliser. When first planting, give them a light watering and no more until they appear through the ground.
