BUNGONIA BUSHFIRE BRIGADE

Emergency Numbers: 4821 1914 Andy Smith: 4821 5009 or Bungonia Base

NEXT MEETING: Friday, 9th March, 2001 7.30 pm at the fire shed.

Contacts: *President* – Dennis Jenkins 4822 4241 *Secretary* – Cherie Jenkins 4822 4241
Captain – John Edwards 4821 5489 *Treasurer* – Paul Bayliss 4844 4359

Captains Report

Captain John Edwards reported that January was a busy month for the brigade.

There were 5 call outs:

1. A running grass fire at Johnniefields, Marulan
2. A lightning strike on Jarrara Road
3. A lightning strike on Mountain Ash Road in front of Shinfields property
4. A running grass fire on the Braidwood Road
5. A motor vehicle accident on Oallen Ford Road.

Also, a basic training course was run which was a great success. Some of those involved in the basic training have been able to put their training to good use already, a great experience for them.

Some of the brigade members are presently attending a first aid course and doing well, good luck to those.

The brigade has had good reports back from the fires they attended regarding how well they worked together and the professionalism they show. Well done Bungonia.

On 11th March we intend to do a fire trail exercise around the Bungonia Area. If you would like to come, bring along your lunch and have a great day.

I would like to thank Lenny Ryan and Graham McFarlane for their great work and help in during the basic training course we have just run.

John Edwards, Captain

A note from the Secretary

Firstly, I would like to thank all those folk out there who have sent their subs and donations in for this year. It will be a great help to us. Also, if you happen to come across someone who is new in the area or may not know about the brigade, give them some information about us or give them a copy of the Bungonia Times so they can see what it going on.

BUNGONIA BUSHFIRE BRIGADE Continued

Subs are only \$10 a single or \$30 a family, such a small insurance for keeping our properties safe from serious fires. You can send your cheque, made out to the 'Bungonia Rural Fire Service', 'Chezden', 815 Mountain Ash Road, Bungonia or Paul Bayliss, King Street, Bungonia anytime! Thank you, Cherie Jenkins

For Sale: the brigade is selling the Ford 250 (yellow truck). If you would like to purchase it, give us a call and lets do a deal.

Wanted: the brigade is looking for a 6 x 4 trailer to turn into a quick fill trailer and food organiser.

The quick fill pump can be built onto the trailer permanently and be taken to the fire ground and left at a dam so that trucks don't have to keep pulling hoses off their truck to fill their tanks, it would be much quicker to have this unit set up ready for filling trucks. Also, we would use the trailer to set up a catering station where fire fighters can come and have a hot or cold drink and something to eat while their tanks are filling. It is important when fighting fires to keep your liquid content cup to help prevent dehydration. So if you have one, please call us.

BUNGONIA PROGRESS ASSOCIATION

President: Joe Leatherbarrow Secretary: Ken Moran 4844 4234
Treasurer: Narelle Walters 4844 7007 Hall Hire: Moira McGinity 4844 4266

NEXT MEETING: 7.30 pm Monday 12th March, 2001 at the Hall.

"SALT TO TASTE" is a local recipe book published by the Bungonia Progress Association and is available from Diane Canini 4844 4295, Diana Moran 4844 4234, Moira McGinity 4844 4266 and Cherie Jenkins 4844 4241. Proceeds go to-wards Village Hall maintenance.

Clean-up Australia: Sunday morning 4th. March.

Bags, gloves etc. will be on the Hall steps, to-gether with the usual registration forms on Friday 2nd. March.. If you can't make it on Sunday, take a bag on Friday or Saturday and fill it with roadside rubbish. Leave the filled bags and any other rubbish you collect at the Hall. It will also help if you separate out the bottles and Allan Travers will recycle them. Everybody did a marvellous job last year and I hope as many residents as possible again take part. Bring your sandwiches or BBQ and join us at the Hall afterwards for lunch.

Cemetery: At a recent working bee Ken Moran slashed all the grass in the cemetery. We also used whipper snippers and mowers to cut grass and tidy up around some graves. Now is the time to clear around your family graves while the grass is reasonable. With the recent rain it wont be long before the grass is too long for a mower.

There will be a working bee on Sunday 4th. March to collect all the rubbish and take advantage of Clean Up Australia clearance. Bring your mower and whipper snipper as well.

Market Day: Easter Saturday 14th. April

Bigger and better than ever but still retaining the friendly atmosphere of a country market. The Bungonia Markets will be held at the Bungonia Village Hall on Saturday, 14th. April opening about 9am. Stalls will be selling crafts, trash & treasure, plants, toys, cakes etc. and the usual excellent hot food and cold drinks will be available. The bacon & egg rolls are becoming as famous as the hamburgers.

Historical Records. To celebrate 100 years of nationhood we are arranging for both churches to be open for inspection and for a special display of historical records at the old Bungonia school house on Market Day. Souvenirs, "Salt to Taste, and "Bungonia Cemetery and Burial Records" will be on sale.

Other attraction this year are an exhibition of quilts by the Bungonia Quilting Group and for the children Sandy's farm animals.

Progress Trash and Treasure is looking for goods for their stall, so please clean out your cupboards and sheds. Goods can be left at the Hall on Monday mornings or at Moira McGinity's house (on the back verandah if we are not home).

The Markets are organized by the Bungonia Progress Assoc. Inc.

GARDENING IN MARCH

This is most likely to be your last chance to plant your cauliflowers, cabbage, brussel sprouts or broccoli. Don't forget to use some liquid fertilisers to get these plants started. Other plants to be planted now are lettuce, turnips, radish and white onions.

Flowers: seedlings that can be planted are alyssum, pansy, viola, stocks, poppy, calendula, carnations, dianthus, polyanthus, larkspur, wallflower, sweet William snapdragon, statice, verbena and for an attractive border in the spring, Virginian stock directly into the garden. This dainty spring annual has small flowers in white, cream, soft pink and lavender and when the buds start to appear in early spring, give them a feed of liquid fertiliser. They also look attractive in tubs and pots.

This month also, insects such as aphids and various caterpillars can appear on roses. Spray them with Malathion or Rogor 40 and Lebaycide. Black aphids on chrysanthemums can be controlled by spraying them with malathion. Make sure you don't use Rogor or Lebaycide as these systemic chemicals can burn the new plants.

March is also a good time to fertilise your lawns with a complete lawn fertiliser to brighten them up as well as strengthen the lawn through winter. This helps to keep it looking good through winter too.

If you like propagating, this is the month to take cuttings of geraniums, fuschia and hydrangeas. Put the cuttings in a terra cotta pot 10cm across, this will take approximately 10 to 12 cuttings and making sure they are planted around the edge as they get more warmth. Using a mixture of 1 part coarse sand and 2 parts peatmoss, have at least 2 eyes in the mixture and 2-3 eyes out, making sure the mixture does not dry out.

LOCAL HISTORY

In researching historic records for personal details for our Cemetery List Ann Smith and I felt we got to know some of the prior Bungonia residents very well. A case in point is Calvin Sampson.

When Frank and I were clearing out bookcases in my father's house in preparation for demolition in 1981 we came across a Memoriam card for Richard Sampson, sent to the Mannings by his family. I asked Dad if he knew anything about Richard Sampson. He didn't but, what he did tell us was that Sampson died at the turn of the century and that he drowned in the Creek. He lived on a block of land, which it turned out he owned, about a mile from the Village along the Look-down road. Frank and I discovered the outline of his dwelling, some broken clay pipes, a dolly pot and remnants of a bed and a bed of Dutch iris (Flag lilies).

Ann Smith & I couldn't find any record of his death until Ann started checking the Inquests. His death was from drowning and was on 3rd. October, 1872. He had been visiting his old friend Dan Cruise, who lived where Mr. & Mrs. Tilbury now live, and on his way home slipped while crossing the gutter which had water in it. He was 70 years old and had been a convict and there were no suspicious circumstances and alcohol was not a factor. He owned 1/2 acre of land. a silver watch and 5 shillings and tuppence in cash. John Buckley, Snr. Constable in Bungonia, sold the watch to William Jobson.

Calvin Sampson is buried in the Bungonia Cemetery in an unmarked grave. For the burial James Conlon, a blacksmith, was paid three pounds and ten shillings for the coffin, ten shillings to dig the grave and ten shillings to carry the body to the grave.

Information supplied by Ann Smith & Moira McGinity.
