## Message from the Captain

**Firstly and most importantly, remember there are to be NO FIRES WITHOUT A PERMIT.** Report all smoke sightings to Bungonia Base on 4821 5009.

I would like to thank all that helped on Market Day, selling tickets, working on the barbeque and helping organise the event. It was a big fund raiser for the brigade.

Remember: **it is your area** so all the help you give comes back to you. What would be really nice is if we could see more of you at our next meeting and fundraiser, the money raised this time will go toward new equipment for the shed and will be a help towards our new amenities block. Much appreciation goes to Les Hosking for the notice board on the front wall of the fire shed and to those who helped complete the kitchen and office.

Whenever a truck is moved out of the station for any reason – **YOU MUST REPORT THAT MOVEMENT TO BUNGONIA BASE 4821 5009:** this is a requirement under **Duty of Care.** The base needs to know what is going on with all movements within the brigade in case of a fire. All crews are called in from base to man the trucks. Base needs to know the names of the driver and the crew members.

Also, could you let base know the names of those that are ready to go in case of a fire at short notice. Lets update our records and be ready for any situation this season.

It looks to be a bad year ahead of us, and as I said earlier, it is our area, so lets all pitch in and help wherever possible and lets all work together. We look forward to seeing you at a working bee.

Congratulations to those who have completed their basic training.

Sub/Donations are due now, this helps in keeping our equipment in good working order and updating with new equipment.

**Fundraiser** - on 30th November the Fire Brigade will be running a BBQ at the Stewart Lodge Clearance Sale, if you can help please let Andy or Eileen Smith know on 4821 5009

Lets have a safe year. No fires please.

John Edwards - **Captain**

What a wonderful day it was on Saturday 5th October, when the Bungonia Quilters held a very successful Art & Craft Fair. The beautiful Heritage Quilt was won by K Anderson of Windellama and Eileen Smith won the basket of beauty products. The raffle and the popular devonshire teas made a massive \$1470.00 for our community. Well done ladies and thank you to all who helped make this day such a success.

The Bungonia Quilters meet Monday mornings 9-12noon, cost is \$2.50 and when our teacher Leigh Reynolds comes along we pay \$4 extra to cover her costs, a delicious morning tea is included.

# Council Notes

with Cr Inda Evans

## **Congratulations**

*Congratulations to Anne Williams who became an official Australian citizen at last month's Council meeting. A proud moment for all of us.*

*Congratulations also to the whole community on a highly successful Centenary celebrations weekend.*

*Well done also for the archaeological work at the old inn across from the hall. I'm sure we will all learn of any significant historical finds in due course.*

## **Bushfire Funding**

*Council is again having problems with funding allocations from the NSW Rural Fire Service. To give you an idea of the scope of the problems I will outline just some of the issues.*

*The total allocation for Mulwaree Shire is \$964,812. Within this amount, is an allocation for maintenance and repairs which is effectively a reimbursement of moneys already spent in the previous year. This amount has been reduced from the \$93,830 sought (based on expenditure of \$99,342) to \$60,830 leaving Council to foot an excess maintenance and repairs bill of almost \$40,000.*

*In addition, the Rural Fire Service's "Other Programmes" which constitutes mainly administration costs at Parramatta headquarters, is around 50% of all proposed expenditure and has increased 10%.*

*All up, Council is being asked to contribute around \$64,000 more than was budgeted without any benefits to our firefighters or their equipment.*

*In fact, for the whole of the Southern Region, there is only \$4114 allocated for volunteer training. Something has to change.*

## **Development**

*A religious retreat has been approved in the Mayfield area on the corner of Sandy Point and Silver Stream Roads. The first stage of the development consists of a meditation hall, amenities block and 11 retreat units and up to 200 people are expected to visit the complex during long weekend and school holidays.*

*A retail facility for rural supplies at Marulan was approved. The applicant proposes to sell a variety of goods such as stock feed, firewood, fencing materials, lawn mowers, whipper snippers, pumps, pipes tanks, animal supplies rural supplies hardware seeds, fertilisers, chainsaws, hire equipment such as cement mixers, etc. Sounds like a facility to service a wide area in the district.*

*Subdivisions at the last meeting were for 166 lots at Middle Arm and 17 lots at Naranbulla on the Hume Highway.*

## **drumMUSTER**

*Council has agreed to participate in the drumMUSTER program for a 12 month trial period. The program provides for clean drums bearing the drumMUSTER logo to be disposed of safely by farmers. If you have drums that you want to get rid of, call Council for details.*

## *'Clay Connection' ceramics exhibition*

This is the name given to the graduating exhibition of four final year students of the Certificate III Ceramics course at the Illawarra Institute of Technology (TAFE NSW) Goulburn Campus. Sue Hewat, Roger Jackson, Judy McDonald and Anna O'Neale have been travelling to Goulburn to complete this course and through their common interest in ceramics there has been a creative connection.

"A communal ceramics studio environment has been a motivating experience for us all. It has let us experiment with all facets of ceramics and exchange ideas culminating in this exhibition."

Bob Millis will open "Clay Connection" at 5pm on Tuesday 12 November at the Goulburn Branch Library, Bourke Street, Goulburn. The exhibition will open during normal library hours and will continue until 19 November.

The Goulburn Library is open: Monday to Friday 10.00am - 6.00pm, Saturday 10.00am - 1.00pm and Sunday 2.00pm - 5.00pm. Contact the Library on 4823-4435 for further information.
