

Bungonia Progress Association

The **Wine & Cheese** party was a great evening enjoyed by about 50 lovers of fine wine, finger food, quiches, pies, nibbles and conversation. You couldn't hear the music. Next one is in Spring. Don't miss it.

Hall Extensions: We are having trouble getting a builder to do the work. Meanwhile the pump, which is too small for the new system, is being replaced as a first step. We are anxious to get started on this project so if you know of a suitable builder who is interested please contact John Wiggan, Anne Williams or Ken Moran

Market Day Trash & Treasure: Please clean out your cupboards. We love your unwanted goods and turn it into treasure. Contact: Pauline Dickson 4844 4202 or Moira McGinity 4844 4266

ANZAC Day: Sunday, 25th. April, 10am. We gather at the War Memorial to remember all those who suffered because of war and in particular to honour the local men who died. There will be a cup of tea at the Hall afterwards.

The Hall will be open before the Ceremony so that toilet facilities will be available.

Clean Up Australia: Again a very good roll up and a tremendous effort by all volunteers. We have written to the Clean Up Australia Organization and the Minister for the Environment urging them to introduce legislation to put a refundable levy on small containers. This has been the law in South Australia for many years and they do not have the litter that we do.

Bottle Bank: This now located at the Domestic Waste Bins 100 metres along the Look-Down Road.

Bungonia Park Trust

Thanks to all who contributed to collecting the 70 bags of rubbish in the Clean Up Australia activity .No thanks go to the hopeless offenders who had begun to litter the same roadsides by the next day.

Grant 76 this has nearly been used up and we are very grateful to Phil Fordham for his excellent work in clearing and mulching the exotics out of the Creek. His labours have been matched and exceeded by the voluntary time and labour contribution of the members of the Park Trust. We can all see their effectiveness and the beautiful result .

- A new concept is in development for a walking trail along the creek.
- A Grant application is before Dept of Infrastructure Planning and Natural Resources for a watering system to support the Memorial garden
- Fresh plants are being purchased through donation to add to the Garden and the Park.
- Park toilets are another item to be considered in the near future. Wombats are exploring the treasures and the structure is rather unstable.

ANZAC DAY Sunday 25 at 10 am.

Gather at the War Memorial for Remembrance Ceremony

Afterwards at Hall for a cuppa .

If possible bring a plate please to share.

Everyone Welcome –children too!!

- The War Memorial has a new concrete all-weather path , courtesy of the Councils past and present. Thankyou !.This should make access much easier for everyone.
- You are welcome to bring flowers etc to place on the War Memorial.
- Please park cars and keep children safely off the road. Some drivers ignore the Ceremony and still speed through the village.

Thanks to Margaret Davey and Doug Brideson, the Highlight of our last meeting was their donation of seven pennant banners won by the then reigning champion Lilac Time waltz duo- Chrissie and Doug Brideson of "Hillydale". Did anyone film them dancing?? They must have been fantastic to watch in their time. Diana Moran suggested we display items such as these on a rotational basis when the new foyer and disabled access building works are complete on the Progress Hall.

Events of special interest.

Easter Market day will include a stall by the B&DHS Inc. with items of interest. Village and district site maps /displays.

- Many thanks to the over 90% of village owners /custodians of public and private land who have agreed to allow the University of New South Wales to do a site survey on their property. Anyone ,of any faith (or none!-),with an interest in the building is welcome to come and add their perspective to this assessment. GARDENING IN APRIL

Vegetables: Broad Beans, unlike other beans, prefer a cool climate and are ready to pick late winter or early spring when vegetables are scarce. Before planting them, give the soil a good liming and also add some complete fertiliser. They don't like a high nitrogen fertiliser as this promotes leaves at the expense of flowers.

Other veggies to plant are peas, cabbage and onions (mainly white and odourless). Greenfeast peas should be sown in tow rows close to each other for support and if you have a fence or wall which gets plenty of winter sunshine, grow Telephone climbing peas, they produce a big crop and are worthwhile growing. They prefer a soil which has had a light dressing of lime and complete fertiliser.

Flowers: Seedlings available now are Alyssum, Canterbury Bells, Carnations, Cornflower, Delphinium, Dianthus, Hollyhock, Russell Lupins, Pansy, Viola, Primula, Snapdragon, Stock and Wallflower.

Seeds of Sweet Pea can now be sown. Like vegetables, they prefer a soil containing compost, lime and a complete fertiliser. When first planting, give them a light watering and no more until they appear through the ground.
