

PERSONAL PROTECTION:

Plan for the safety of all family members especially for young children, elderly persons and the disabled.

If you intended to evacuate any one plan well ahead of time where to stay, how to make the decision to leave, and how to travel, (remember, leave well before of the fire front arrives). For those who remain, ensure each have suitable clothing, leather footwear, long pants and long sleeved shirt or jumper, (wool offers best protection). a broad brimmed hat, goggles to protect the eyes, handkerchiefs to tie over nose and mouth, wet towels to drape over neck, and bottles of water.

Is Your Property Prepared Against Bush Fire and Grass Fires???

- > Ground fuel cleared around house (long , dry grass, dead leaves and branches, thick undergrowth).
- > Gutters cleared.
- > Roofing firmly fixed (cleaned of dry leaf debris).
- > Firebreaks prepared, (a well watered lawn can act as a firebreak).
- > Screens or shutters installed and underfloor areas enclosed, if possible.
- > Vents into roof space screened with fine wire mesh.
- > Flammable items removed from around the house, (eg. woodpiles, and obvious flammable materials such as paper,boxes, crates, hanging baskets, wooden garden furniture etc).

BUSH FIRE Readiness Checklist ✓

Department of Bush Fire Services

> LPG gas tanks vented away from house. Fire Brigade telephone number placed near the phone.

Do you have sufficient Water Supplies and Fire Fighting Equipment.

- > Hoses long enough to reach all sides of the house, attached to taps.
- > Heavy duty hoses with wide-spray nozzles, if possible
- > Reserve water supplies from tanks,dams,or swimming pools, if possible, since mains water will be in high demand. Try to store water during the winter months.
- > Gate valve fitting to water tank.(a **38mm /Storz coupling will assist the Bush Fire Brigade**).
- > Have gate valve to fit portable pump as well.
- > Regularly check petrol or diesel portable pump, if you have one, to ensure it starts easily.
- > Install a sprinkler system in your garden and on roofing, if affordable.

> Gather buckets (preferably metal), mops, spray backpack units, ladders rakes and shovels in one place for ready access during a fire.

> Battery operated radios and torches in case of electricity failure.

> Fill baths sinks and buckets with water.

> Place wet towels and blankets against gaps under doors and windows

> Close heavy curtains, close shutters, if you have them.

> After the fire passed and for several hours after the fire front has passed, patrol your property and put out spot fires started by flying embers.

> Check roof cavity frequently for spot fires.

WHAT TO DO WHEN FIRE APPROACHES

> Listen to the radio for news of the fire's progress, rather than calling emergency services for information.

>Dress in protective clothing, drink water frequently.

> Wet-down roof, house and garden, especially on the side of the approaching fire. Turn on sprinkler system, if you have one

> Stop down pipes, fill gutters with water.

> As the fire approaches, go inside and remain inside until the fire has passed.

If ordered by the police to evacuate you must comply

A Celebration of Heritage, Jazz & Roses

- INCORPORATING -

Cathedral Week

13 MARCH TO 21 MARCH 2004

A Celebration of Heritage, Jazz and Roses is a co-operatively organised, community-run festival, proudly supported by Goulburn City Council.

A Celebration of Heritage, Jazz and Roses is held in March each year to coincide with the City of Goulburn Annual Rose Show and Goulburn's birthday on the 14th March. Augmented by live jazz performances, the many Festival activities will transport you back to the early 1900s and bring history to life. Autumn is a perfect time to enjoy the city in full bloom.

The heritage of the Goulburn district reaches into the future and is alive and growing
Come - be a part of it!

Clean up Australia

Sunday March 7

As usual, bags etc will be at the Hall from Friday evening.

Why not collect them on the way home and be ready to clean up your patch of roadside?

Perhaps you can't clean up on Sunday- NO WORRIES!-do it earlier-Leave the filled bags outside the Hall before Monday as the Shire will take the trash on Monday .March 8

Don't leave your guests at home- bring them too-There are plenty of bottles, cans, fast food cartons, car debris, bits of wire etc to suit all tastes;

What about a neglected section of bush or creek favoured by DUMPERS- If you need a few helpers let us know?

Any one wanting to **join a team** (always more fun, and safer!!) meet at the Hall about 9am. Or give Moira a ring to find some buddies.

Do you need assistance? Got Questions? Contact Moira McGinity 48444266

Hall extensions

Progress is still interested in builders for the Disabled access alterations to the hall. If interested parties want copies of the plans ,Barry Storm will copy them from his originals. Any questions should be directed to the committee, Ken Moran 48444234,Anne William,48444228, or John Wiggan 48444228

Hall ownership

Paul Stephenson addressed the meeting with details about what it would mean to have the Council take over the ownership of the Hall. The meeting passed a resolution to write to the Council and ask for an 'agreement in principle ' and 'without prejudice' as to whether the Council would be interested to take over the deeds of the Hall.

Mr Stephenson informed the meeting about the creation of a Trust to manage the Collex funds. The Trust is managed by Paul Stephenson ,Robert Mowle and John Reynolds and the funds are specifically for the purpose of providing community welfare grants .

Easter market day ; Organization is beginning. Contact for stall bookings is Eileen Smith

Complaints continue from the members about irresponsible people who are forcing huge items into the rubbish skips. The bins have been wrecked and piles of filth are left around the outside. Dumped furniture and industrial waste makes the skips dangerous and unusable for its purpose- that is the disposal of small scale household waste. The Council is not responsible for misuse and vandalism of the facility.

Please report misuse to the Progress Association, the Council and /or the Police.

Speed limits

We still have idiots roaring through the village at high speeds. The meeting asked for the Council to assist with getting '50 AHEAD' signs on entry roads to warn that the RESIDENTIAL ZONE is ahead .

Captain John Edwards 48215489 Base and communications Andy and Eileen Smith 48215009

The Bungonia R.F.S are back in swing after the Christmas break. It's been a reasonably quite season so far but plenty of extreme hot dry windy days, only two call outs a lighting strike which was very smartly attended and a smoke detector alarm set off.

It was discussed at the February meeting to hold the Easter Markets again and as Ray Dole will not be organising the stalls, they can still be booked with Eileen Smith on 48215009.

The Junior's are to train with Graham McFarlan every every second Sunday so let him know if you are going to be there.

We have three new committee members Bob Knott, Bob Atkinson and Carl Estall, a big welcome to them..

Since the weather has been so hot I'm sure every one is keeping a keen eye out for fires and if you see smoke or any one suspicious ring 000 also keep your homes clear of rubbish etc.

PLEASE NOTE: NEXT MEETING 12/03:04 7pm
