## SAND AND BASALT EXTRACTION, ARDMORE PARK QUARRY

DEVELOPMENT APPLICATION DA-10-1-2005

The Minister refused the development application because the proposed development was likely to result in unacceptable amenity and social impacts for residents along the proposed route, present an unacceptable risk to road users along the proposed transport route, and was considered not to be in the public interest.

You may view a copy of the Minister's refusal during normal office hours at

- the Department's Information Centre (23-33 Bridge Street, Sydney); and
- Goulburn Mulwaree Council (Civic Centre, 184-194 Bourke Street, Goulburn).

A copy of the Department's Assessment report and the instrument of Refusal are also available on the Department's website [www.dipnr.nsw.gov.au](http://www.dipnr.nsw.gov.au), (go to: information on infrastructure, land use and transport planning/Major Project Assessment/Notices of Determination).

If the Applicant is dissatisfied with the Minister's decision, section 97 of the *Environment Planning Assessment Act 1979* (the Act) gives the Applicant the right to appeal to the Land and Environment Court within 12 month of the date of notification of the refusal. If the Applicant appeals, section 97 of the Act gives persons who made submissions during the exhibition on the development application the right to be given notice of the appeal, and to be heard at the hearing of the appeal ( you need to apply to the court within 28 days of the notice of the appeal). Under section 98 of the Act there are no appeal rights to an objector, since the Minister has refused the development application.

If you have any questions in relation to the matter, please contact Michael Young on (02) 9228 6437

## **Advertising Charges:**

## BUNGONIA COUNTRY WOMEN'S ASSOCIATION SEPTEMBER NEWS

We are deeply saddened with the sudden loss of our friend, Ruth Dole, a longtime active and productive member of our group, we extend our sincerest condolences to Ray and the family.

August was a month for the wounded, Marcia Clark underwent knee surgery and will soon be ready to set off all security metal detectors, we'll bail her out. Then Judy Knott slipped on the ice and broke her left ankle, leaving the Knott family with 3 useable legs and arms between them, any spares will be welcome!!

Our International Day (Vietnam) was both successful, fun and interesting, all members excelled in the "cuisine", simply great dishes.

This months Birthday Greetings go to Colleen Cooper and Joan Longhurst, we'll help them celebrate at our next meeting Thursday 8th September, as usual at CWA Rooms at 10AM, do please pop in out of the cold.

Regards from us all Coraline

Ray Dole & Family would like to express their sincere gratitude to the members of Bungonia Quilters, C.W.A., Rural Fire Service, Progress Assoc., and many friends and members of the local community who offered their love and support following Ruth's sudden passing.

Special thanks also to our "000" emergency service, the Ambulance crew, Goulburn Hospital, R.J Sidney Craig Funerals, Christ Church Bungonia and Crestwood Plant Hire,

Your kindness and Community Spirit has been over whelming.

Words cannot adequately convey our heartfelt appreciation.

### TO MY MUM

The way you always care creates the family ties that bind us  
While everything we share adds to the memories which remind us  
That a Mother is more than a friend, who always stands there for us  
Even closer than ever before that's how the coming years will find us  
We really miss you MUM.

## **Bungonia Rural Watch**

### **Bungonia Rural Watch**

Hopefully, everyone has noticed the Neighbourhood Watch signs that have been put up over the last month. There is a sign on Oallen Ford Rd, Lumley Rd, Mountain Ash Road and Jerrara Rd. A sign will also be placed in the village itself.

The next Rural Watch meeting will be held on Monday the 21st November at 6.30pm. This will be the AGM. New members are welcome. Please keep vigilant and if you see any activity that may be suspicious, contact Scott Marsh at Marulan on 4841 1516.

The statistics from the car counters that were placed in the village during April and May this year, are now available. See insert in the paper. (if I can fax them to you).

Diana Moran

## **Jacqua Creek Landcare.**

Our group welcomes Julia McKay and Gerry Milton as the new owners of Jacqua Homestead property. At our last meeting we walked Jacqua Creek to see what plans Julia has for the property. It was a very informative meeting.

Our next meeting will be the AGM at Langinoia Property on Saturday 10th September, with a creek walk to view the log and rock creek bed structures put in place just before the storms of last summer. We welcome any property owners along Jacqua Creek who may be interested in joining the group.

A Landcare meeting was held in Braidwood on Thursday 11th August to discuss a proposed site on Mulloon Creek which will be developed, using the ideas of Peter Andrews, and will become a demonstration site to show farmers how his ideas can be put into practice.

Contact for this month, Diana Moran on 48444234.

## **Bungonia Progress Association.**

The Progress Association Members would like to pass on our sincere condolences to Ray Dole on the sudden passing of Ruth. We shall miss her very much in our community. The Hall has been inspected by a qualified engineer, who seemed to think that the building was very stable and does not require underpinning. We shall await his report before, finally, being able to get on with building the extension.

We have finally heard that the proposed quarry at Ardmore Park was NOT recommended to go ahead by the Hon Craig Knowles. The recommendation was put in place before he resigned from Parliament. All those who sent in submissions will be notified, to this effect, in the coming weeks. When we have more information, as to the reasons given for knocking back the DA, we shall let you know.

The skips have been removed as we all know. At present the bottle dump is still located at the skip site for recycling your bottles. All other recyclables can be taken to Smorgonsteel in Wayo St., North Goulburn or to Endeavour Industries, Oxley St., South Goulburn. Please don't dump rubbish in the bins in the village or at the bottle bank. All property owners should now have vouchers to allow them to take their waste to the Council tips.

The next meeting will be the AGM on Monday September 12th at the Hall at 7.30pm. Nomination forms for executive members will be available from John Wiggan on 48444228. Please place nomination forms in the Progress Association's letterbox outside the Hall.

## The Goulburn Gay and Lesbians

The Goulburn Local Area Command has a newly appointed Gay and Lesbian Liaison Officer (GLLO). A GLLO is a NSW Police Officer who is specifically trained to address issues, provide support, advice, assistance and guidance to gay men, lesbians, bi sexual and transgender persons within the local community.

The GLLO covers the entire Goulburn Local Area Command which includes Goulburn, Taralga, Crookwell, Yass, Gunning, Binalong, Tarago, Collector, Marulan, Tuena and Bigga.

The NSW Police is committed to ensuring that gay men, lesbians, bisexual and transgender people are treated appropriately regardless of the initial reason for coming into contact with the Police, either as a victim, offender or witness. The NSW Police is dedicated to ensuring that members of the Gay and Lesbian Community are protected from violence such as homophobia and harassment, its aim is to reduce this type of violence and promote a safe and accepting community.

Homophobia is an irrational fear, hatred and a form of violence that is committed against persons who identify as gay, lesbian, bisexual or transgender. Homophobia can be in different forms such as written or verbal threats, verbal or physical abuse and harassment such as spitting and offensive gestures. These types of incidents can happen anywhere at any time.

Domestic violence occurs within same sex relationships however it is generally not reported to police until the situation becomes very serious. Due to the dynamics within the relationship, Police often find it difficult to identify who is the victim and who is the offender, however by investigating the complaint and using compassion, Police are able to identify and deal with matter at hand appropriately. Many gay men and lesbians do not report same sex domestic violence incidents to police due to the possibility and fear of being 'outed'.

The training program Gay and Lesbian Liaison Officer's complete contains a wide range of topics and issues relating to gay, lesbian, bisexuals, and transgender persons. Some of these issues include: prejudice, stereotyping, HIV/AIDS awareness and precautions, same sex domestic violence, victim liaison, religion, gay youth issues and homophobia.

The GLLO will work with and consult community members within the Goulburn Local Area Command to obtain information on issues that have been identified. These issues will be addressed and strategies put into place to ensure everyone can feel safe in the community, no matter what their sexual preference may be.

The Goulburn Gay and Lesbian Liaison Officer can be contacted at the Goulburn Police Station on 02 48240799. Details of the enquiry do not need to be given to the person who answers the phone. Simply a name and contact phone number would be sufficient if confidentiality is of a concern.
