Community Hall Renovations

After a long wait, renovations have started on much needed improvements to our local hall. The new main entrance features a disabled access ramp, as well as new steps, providing safer access for the people wishing to enter the hall, to attend the various functions.

The work is scheduled to be finished by the end of March.

The next Wine and Cheese Night is due to be held on the 4th of March, next. Hopefully, work-in-progress will be completed expeditiously and those people planning to attend this function will be able to appreciate the new facilities.

Next Meeting 13th. February 7.30pm Monday at the Hall

Ardmore Park Quarry. Divall's gravel trucks delivering material for road works at Coolabar Park gave us a taste of what it would be like if the quarry were developed. The trucks generally obeyed the speed limit through the village and didn't start till 6.30 and finished before 8pm. and there were nothing like eighty a day and yet, it was very disruptive for those of us along the route. The roads quickly disintegrated, and developed dangerous pot holes and broken edges. Traffic conditions, as predicted by Divall's in their courtesy letter, became difficult and sometimes dangerous, mainly because of the narrow pavements.

Hall Extensions: The septic system has been upgraded and the construction work is up to floor level. The builder will be back after the XMAS break.

Village XMAS Party: Santa interrupted his busy schedule to drop in and distribute lollies to all the good people. Afterwards we enjoyed something to eat and a get-together in the Hall.

Clean up Australia: Sunday, 5th. March 2006. This programme does make a difference and it would be even more effective if there were a refundable deposit on bottles & cans

- Bags will be outside the Hall on Friday 3rd. March for those who can't collect them on Sunday. Please take one & sign the Registration form., fill it up with **roadside rubbish** and bring it back to the Hall on Sunday.
- I will be at the Hall from **10am Sunday.**
- Remember, stout shoes, hats, gloves and sunscreen.
- Don't leave clearing your area to someone else.
- **Contact Moira McGinity 4844 4266.**

Market Day: This is a reminder to those with unwanted treasures to save them for the Progress Trash & Treasure Stall. You can leave them with me (Moira) at 1 King St. at any time or give me a ring on 4844 4266. The Hall will be open Monday 3rd. and 10th of April between the hours of 9am - 12 noon if you want to leave your Trash & Treasure for us.

We hope everyone enjoyed the break from meetings in January and feel refreshed and enthusiastic.

BUNGONIA PARK TRUST:

Next Meeting: 3rd. February 2006 7.30 at the Hall.

Cricket Match: Windellama regained the coveted Trophy. We think the difference was they all wore smart white Windellama T Shirts. If Bungonia is to win next year they have to acquire Bungonia T shirts.

Theft of Rocker from the Park:

Would you believe it? Some adults, using a vehicle, pulled one of the Children's Rocker out of the ground and stole it. The Rocker is designed for small children, so they stole from children 2 to 6 years old.. Senior Constable Scott Marsh inspected the area and has made a report.

BUNGONIA RURAL WATCH:

New members are welcome and it is in your interest to take part in Rural Watch. The theft of the Play equipment from the Park and other incidents in our area emphasizes the fact that we are not too remote or too small an area to be immune to criminal activity. The street lights being out in King Street probably made it easier for the mean spirited adults who took the Rocker. The more people who participate in Rural Watch the less likely it is that theft and other criminal activity will take place in your area. **Contact Scott Marsh at Marulan 4841 1516**

Daryl Riches is the Rural Crime Investigator and deals with matters relating to stock theft or stolen equipment or chemicals. Report any theft no matter how small as it may build up a picture of a wider ring.

JANUARY, 2006 NEWS**

Our Meeting was held on Thursday, 8th December, 2005, commencing at 10.00 a.m., after which we adjourned to the Cascade Restaurant at Centretown, where we lunched in fine style.

Having come second in the Group Handicraft Competition, we were awarded with our trophy, an excellent quality carving knife, which will be very handy when we are catering.

One of our members showed up with a beautiful 'shiner'!! She thought that she was George Washington but she fell out of the Cherry Tree while doing some pruning.

Congratulations to Lorraine who won our Competition.

Our next General Meeting will be Thursday, 9th February, 2006 commencing at 10.00 a.m.

If there is any one who would enjoy great companionship, or just a friendly 'cuppa' please come along and visit us.

Inside Your Local Council ... keeping you in touch with the latest from Goulburn Mulwaree Council.

We are already off to a good start to 2006 with intensive work being done by Councillors on our future strategic direction that is critical to our Management Plan that informs Council about high level strategic outcomes to be achieved by Goulburn Mulwaree Council.

Under the leadership of the General Manager, Luke Johnson, your councillors will have (by the time you read this) participated in a workshop that looked at the key planning issues of ensuring that our Goulburn Mulwaree area develops a strong economy, grows a vibrant community, develops quality infrastructure, ensures a sustainable environment, retains our heritage and works to make our council a leading organisation. Council aims to link its corporate & strategic goals with national, state & regional plans & strategies.

Perhaps most importantly for many of you Council plans to undertake all associated tasks in a manner that is ethical, honest, transparent, respectful, fair, equitable, allows for community consultation, includes the community in decision making and ensures the community is involved in its actions.

On a less big picture front I am happy to pass on some items of interest dealt with at the January Council meeting.
